

ITZIK

Welcome to ITZIK where we take pleasure in celebrating Mediterranean food and bold Middle Eastern flavors, with the original boho Tulum vibe. ITZIK is conceptualized by award-winning hotelier and restaurateur Yvo, who is also behind La Valise, NEST, Encantada and NÚ. ITZIK means "he who will laugh" in Hebrew and it is also Yvo's second name.

With laughter and cheerful music, the concept honors sustainable, local and fresh ingredients prepared by award-winning Chef Cesar Castañeda and his amazing team.
